My dear Mohinder,

I was most impressed with the organisation and the precision of every event connected with the Regimental Reunion just completed. There was ample evidence that a great deal of thought had been given to the entire show, a vast amount of planning had been done and stupendous effort had been put behind the show.

My heartiest congratulations to you, your officers and those soldiers and recruits who must have worked day in and day out to make the whole venture, the entire success it was. Would you also please accept my grateful thanks for the kind hospitality I was given by you, and your wife and the officers and men of the Regiment. It was just like being a guest in one's own home!

Yours sincerely

Sd/ SARDA NAND SINGH
